Location	Melbourne, Australia

Experience

Thirteen years experience editing and onlining factual TV shows, observational documentaries and formatted television, using Avid Symphony, Premiere Pro and FCP X.

I am passionate about television, with a focus on engaging storytelling. I have a very positive attitude, and my skills include offline editing, online editing, colour grading, technical troubleshooting and delivering to spec for broadcast, cinema and online.

Online/Grading Credits

- **Celebrity Name Game:** Online Editor and Colour Grader for the first 225 episode season the game show hosted by Gold Logie winner Grant Denyer for Network Ten.
- **Better Homes & Gardens:** Online Editor and Colourist for the Seven Network Logie-winning lifestyle show.
- **Comedy Up Late:** Colour Grader and Online Editor for Season 6 of the multi-camera stand-up comedy series for ABC Comedy.
- **The Amazing Race (Asia):** Online editor and colour grader for 10 episodes of the award winning Asian version of the reality show for Active TV screened on AXN to 17.5 million viewers.

Editing Credits

- **Mythbusters:** Editor for the top rating factual entertainment series by Beyond Productions, seen on The Discovery Channel and SBS. My first episode "Helium Football" achieved the highest ratings to that date.
- **The Travelling Chef:** Series Editor of 3 x 10 half hour international travel and cooking shows for TVNZ hosted by NZ MasterChef winner Brett McGregor, also shown on Network Ten in Australia. Originally titled "Taste of a Traveller".
- **RSPCA Animal Rescue:** Editor for the observational documentary series by Imagination Television for Channel Seven.
- **Talkin' 'Bout Your Generation:** Editor for Season 3 of Shaun Micallef's multi-camera comedy game show, produced by Granada for the Ten Network.
- **Vet Tales:** Series Editor and co-writer for the primetime veterinarian observational documentary series for TVNZ, including QC and digital delivery in MXF format.
- **GameLoading: Rise of the Indies:** Editor for the feature length documentary exploring new genres of non-violent video games. For film festivals and iTunes.
- **Triple Zero Heroes:** Senior Editor for the Fremantle/Channel 9 factual programme presenting real-life 000 calls, the victims and the call takers who save them.
- **What's Good For You:** Editor for the Logie-winning health magazine series by Beyond Productions for the Nine Network. Nominated for Best Editing award by the Australian Screen Editors Guild.
- **Beyond Tomorrow:** Editor on the science magazine series for Beyond Productions, seen on the Seven Network and overseas.
